INTERIOR LLP

*Interior, Architecture, Designing,
3d Animation,
Commercial & Residential*

About Us

Our surrounding has an impact on how we feel everyday and can influence our well being. Hence at Duroshine we believe in safe, functional and aesthetic design. We have adopted luxury interiors with engineering precision.

Our work has been recognised by many leading brands and we have delivered on time with minimal cost escalation. Our designs are aligned with the vision of our clients; we incorporate their needs to create functional and timeless interiors.

Duroshine resonates with skilled technique & fine craftsmanship, we design spaces that are welcoming, textured, balanced, layered with warmth and speak about the luxury product and people using them
